

Home search

“Search – Find – Contract – Settle in” Finding a suitable home is one of the most important parts of relocation service. We want our customers to “feel at home” in their new home right from the start. Thanks to well established network, we are confident that we can find the best available accommodation alternatives.

- Presentation of carefully selected apartments or houses, based on client’s specifications.
- Negotiation and finalising rental contract with landlord.
- Moving in inspection with documentation.
- Set-up of telephone, internet, cable TV and utilities (gas, electricity, etc.).
- Temporary accommodation and furniture rental if needed.
