As a market leader in the nordic countries within international removals, and as cooperation partner to several multinational businesses, our ambition is always to surpass the expectations of our clients. In order to improve the dialouge with our clients, we have now established a clients' representative. Bo Wärme, our quality manager at AQM, has 15 years of experience within international removals, and a background in the insurance business and at the police. You adress to Bo Wärme with proposals for improvements and dissatisfaction of removals, but you are also welcome to mention positive experiences from your contacts with us. In case of a claim, the management of AQM will follow the recommendations given by Bo Wärme.
