

What differs us?

Alfa Quality Moving is the only nordic specialist in international removals. Alfa Quality Moving is the market leader in the Nordic countries regarding international removals. We work process oriented in every step, which guarantees quality all the time. Because of our efficient quality work we have the lowest insurance premium. Through our planning system, we have the best capacity to meet our customers wishes regarding removal dates. Alfa Quality Moving is the only removal company which is AEO-certified through customs authority. We have all the permissions that are required for international removals.
